GOVERNING BOARD  
FINANCIAL ASSISTANCE

## GENERAL FINANCIAL AID

The Office of Financial Aid reserves the right on behalf of the college to review and cancel awards if there is a change in financial or academic status, change of address, change in enrollment or status, reduction of available funds, or if the award is not used by the student on the college's campus or because of the recipient's failure to observe the college's policies and procedures.

It is the policy of the college to disburse one-half of the awards (excluding work-study awards) after the drop date each semester, provided the student's file is complete. Disbursements of financial aid are generally made in the form of a direct credit to the student's account. If a student will receive financial aid from another source, the student will receive a credit to the account.
